Welcome Message

在全球食品行业蓬勃发展与变革的重要时刻，2025 年世界食品（深圳）博览会隆重开幕。我谨代表中国食品土畜进出口商会，向出席本次盛会的各位嘉宾表示热烈欢迎，向长期以来支持中国食品行业发展和本次展会的各界人士致以衷心感谢！

回首 2024 - 2025 年度，中国食品农产品贸易在复杂的国际环境中砥砺前行，取得了令人瞩目的成绩。尽管国际贸易保护主义时有抬头、全球供应链面临挑战，中国出口食品在亚洲、欧洲和美洲等地区的市场份额仍稳步上升。在生鲜食品、休闲食品及传统特色食品领域，中国食品实现了国际市场的多元化布局。

在此背景下，2025 年世界食品（深圳）博览会作为国际食品行业的重要平台，延续了“Anuga Select China”的品牌优势，在过往成功经验的基础上进一步升级。今年展会规模持续扩大，吸引了来自全球更多国家和地区的参展商，带来丰富多样、独具特色的食品展品，涵盖高端进口食材、国内优质农产品及各类创新食品，为参会者提供更广阔的商贸交流空间。同时今年展会的国际买家报名人数多于往年，这些买家主要来自于东南亚、俄罗斯及阿联酋等国家，这些买家的到来使本届展会更具国际视角。

近年来，越来越多的中国食品品牌走出国门，走向世界。我们的企业不断加大国际化战略的推进，通过国际化营销、全球化广告宣传、短视频等新型营销手段以及参与国际食品展览等活动，逐渐在全球市场上树立了更为鲜明的品牌形象，进一步拓宽了海外市场。中国食品品牌正逐步走向全球舞台，成为国际市场上不可忽视的重要力量。我们很高兴地看到其中很多优秀的品牌也出现本届世界食品（深圳）博览会上。

除了积极拓展国际市场，中国企业在国内市场的布局也未曾停歇。国内消费升级趋势明显，消费者对健康、绿色、天然食品的需求日益增加。面对这种需求，“外贸优品转内销”成为食品行业发展的重要趋势。在国际市场波动的背景下，许多中国食品外贸企业凭借其高标准的生产工艺和优质产品，积极开拓国内市场。这些外贸优品在质量把控、产品创新上与国际接轨，转内销后，为国内消费者带来了更多高品质选择。我们也与世界食品（深圳）博览会共同邀请了优秀的食品外贸企业参加“外贸优品中华行展”，其中包括中国出口糖果领导品牌和中国鳗鱼的优秀出口企业，以及罐头、调味料和果蔬制品等传统出口优势品类的相关企业。我们都希望借助世界食品（深圳）博览会的专业食品贸易展渠道优势，将优质出口食品与国内外消费渠道对接，进一步开拓国内市场，实现内外贸一体化发展。

我们衷心希望通过本次博览会，促进全球食品行业信息共享、技术交流与资源整合，共同探索行业发展新机遇。我们相信，2025 年世界食品（深圳）博览会将为中国食品行业带来更多的商机和合作机会，为全球食品产业发展注入新的动力。

Welcome Message

At this pivotal moment of vigorous development and transformation in the global food industry, the Anuga Select China 2025 grandly opens today. On behalf of the China Chamber of Commerce of Import and Export of Foodstuffs, Native Produce and Animal By-Products, I extend a warm welcome to all distinguished guests attending this event and express our heartfelt gratitude to all those who have long supported the development of China's food industry and this exhibition.

Looking back on the 2024-2025 period, China's food and agricultural trade has forged ahead amidst a complex international environment, achieving remarkable results. Despite rising trade protectionism and global supply chain challenges, China's food exports have steadily increased their market share in Asia, Europe, the Americas, and other regions. In sectors such as fresh food, snack foods, and traditional specialty products, Chinese food companies have achieved diversified global market penetration.

Under this circumstance, the Anuga Select China 2025, as a key platform for the international food industry, builds upon the brand strength of "Anuga Select China" and further elevates its offerings based on past successes. This year's exhibition continues to expand, attracting more exhibitors from various countries and regions worldwide, who bring a rich variety of unique food products. These include premium imported ingredients, high-quality domestic agricultural products, and innovative food items, providing attendees with broader opportunities for trade and exchange. Additionally, the number of registered international buyers this year surpasses previous editions, with significant participation from Southeast Asia, Russia, the UAE, and other regions, further enhancing the exhibition's global perspective.

In recent years, an increasing number of Chinese food brands have gone global. Our companies are actively advancing internationalisation strategies through global marketing, advertising campaigns, short video promotions, and participation in international food exhibitions, gradually establishing a more distinctive brand presence worldwide and expanding their overseas markets. Chinese food brands are steadily making their mark on the global stage, becoming a force to be reckoned with in international markets. We are delighted to see many of these outstanding brands featured at this year's Anuga Select China.

While actively exploring international markets, Chinese companies have also continued to strengthen their domestic presence. The trend of consumption upgrading in China is evident, with growing consumer demand for healthy, green, and natural food products. In response, "export-quality products turning to domestic sales" has become a significant trend in the industry. Amid global market fluctuations, many Chinese food export enterprises, leveraging their high-standard production processes and premium products, are proactively tapping into the domestic market. These export-quality products, which align with international standards in quality control and innovation, offer domestic consumers more high-quality choices. Together with the Anuga Select China, we have invited outstanding food export companies to participate in the "Export-Quality Products China Tour Showcase," including leading Chinese candy export brands, top-tier eel exporters, and traditional export leaders in canned goods, condiments, and fruit and vegetable products. We aim to leverage the exhibition's professional trade platform to connect premium export products with domestic and international distribution channels, further expanding the domestic market and achieving integrated development of domestic and foreign trade.

We sincerely hope that this exhibition will facilitate global food industry information sharing, technological exchange, and resource integration, enabling participants to explore new opportunities for industry growth. We believe the 2025 World Food (Shenzhen) Expo will bring more business and collaboration prospects for China's food industry and inject fresh momentum into the global food sector.

We sincerely hope that this expo will serve as a platform for information sharing, technical exchanges, and resource integration across the global food industry. Together, we can explore new opportunities for industry development. We believe that the Anuga Select China 2025 will bring more business opportunities and cooperation to China’s food industry and drive new growth in the global food sector.

Welcome Message

这充满无限机遇的时刻，大家齐聚深圳，共同参与 2025 世界食品（深圳）博览会。作为主办方之一，深圳市零售商业行业协会深感荣幸，向各位的到来表示最热烈的欢迎和最诚挚的感谢！

当下，全球食品行业正经历着前所未有的深刻变革，诸多新趋势崭露头角。数据显示，植物蛋白领域迎来爆发式发展，除了传统的豆腐、大豆蛋白，以微藻类、豌豆、蘑菇为原料的产品因环境友好、高蛋白、低污染的特性，受到市场热捧。它们能以极高的精准度模拟肉类质地与味道，极大丰富了消费者的选择。

回顾 2024 年，我国社会消费品零售总额达到约 48.8 万亿元，较上一年增长 3.5%。其中，食品类消费作为民生消费的基石，在消费市场中始终占据着举足轻重的地位。随着居民生活水平的不断提高，消费者对于高品质、多元化食品的需求日益旺盛，这不仅为食品行业带来了广阔的市场空间，也对行业的创新能力提出了更高的要求。

习近平总书记在 2025 年中央经济工作会议上的重要讲话，为中国经济的高质量发展指明了方向。在当前复杂多变的经济形势下，会议提出的“坚持稳中求进、以进促稳，守正创新、先立后破，系统集成、协同配合，充实完善政策工具箱，提高宏观调控的前瞻性、针对性、有效性”方针，对于食品行业而言，无疑是重大的利好消息。这将为食品行业在技术创新、市场拓展、产业升级等方面提供更为坚实的政策支持和发展动力。

本届博览会 40,000 平方米展出面积，600+ 参展企业国内外优秀品牌参展，35,000+ 专业观众，展品范围涵盖甜食及休闲食品、肉类、乳制品、海产及冷冻食品以及绿色、健康等丰富品类。本次博览会是高效交流平台，能促进信息流通，助力上下游企业合作创新，突破发展瓶颈。期待本次博览会成为行业新里程碑，扩大规模与影响力，推动全球食品行业繁荣发展。

我们坚信，在各位来宾和业界朋友们的共同参与和支持下，此届博览会必将成为全球食品产业交流与合作的国际盛会，为食品行业的未来发展注入新的活力与动力！

Welcome Message

At this moment of boundless opportunity, we gather in Shenzhen to participate in Anuga Select China 2025. As one of the organisers, Shenzhen Retail Business Association is extremely honoured to extend our warmest welcome and heartfelt gratitude to all attendees.

Nowadays, the global food industry is undergoing unprecedented transformation, with emerging trends reshaping the market landscape. Notably, the vegetable protein sector has witnessed explosive growth. Apart from traditional ingredients including tofu and soy protein, innovations in products derived from ingredients such as microalgae, peas, and mushrooms, have received significant market attention. These new products feature their environmental sustainability, high protein, and low pollution. Their ability to precisely replicate the texture and flavour of meat has further expanded consumer choices.

Looking back at 2024, China's total retail sales of consumer goods reached approximately 48.8 trillion yuan, marking a 3.5% year-on-year increase. Among these, food consumption, as the cornerstone of livelihood spending, continues to hold a pivotal position in the consumer market. With rising living standards, consumer demand for high-quality and diversified food products is intensifying, creating vast market opportunities while placing higher demands on industry innovation.

The speech by President Xi Jinping at the 2025 Central Economic Work Conference has provided clear guidance for high-quality economic development. The principles outlined "We pursue progress while ensuring stability, promote stability through progress, uphold fundamental principles and break new ground, establish the new before abolishing the old, and promote systematic integration and efficient coordination. We will enrich and improve our policy toolkit, make timely policy adjustments in light of new developments, and make macro regulation more forward-looking, targeted, and effective." - offer significant policy support and momentum for the food industry, particularly in areas such as technological innovation, market expansion, and industrial upgrading.

With a total exhibition area estimated to reach 40,000 square meters, Anuga Select China 2025 is expected to attract 600+ domestic and international exhibitors and 35,000+ professional visitors from around the world, comprehensively covering the entire food and beverage industry chain, such as Sweets & Snacks, Meat, Dairy, Fine Food, Seafood & Frozen Food, Plant-Based & Healthy Food. The exhibition serves as a dynamic platform for knowledge exchange, collaboration, and innovation. We hope that this event can become a milestone for the industry, driving global food sector prosperity through expanded scale and influence.

We firmly believe that with the collective participation and support of all attendees and industry colleagues, this exhibition will become an international hub for exchange and cooperation, injecting new vitality and momentum into the future development of the food industry.

人员能力验证优势

1. 国家市场监督管理总局认证认可技术研究中心是国家市场监督管理总局直属正局级事业单位具备着从业人员能力提升，监管辅助和认证认可的相关职责。
2. 人员能力验证属于从业人员能力提升考核验证的全新模式，目前市场处于空白期，发展前景向好，市场潜力大。
3. 通过人员能力验证的培养培训和验证结果，学员可以清晰掌握目前的自身能力水平处于行业哪个位置，也可以提高在某行业的自我认知，有助于学员提升自我专业能力和水平，了解到行业发展趋势和方向，协助自身做好职业规划。
4. 人员能力验证项目采取了“考培”分离的模式，相关开展通知由市场监管总局认研中心统一印发通知文件，公示培养培训及能力验证费用，同时只有在市场监管总局认研中心人员能力验证综合服务平台公示的合作单位才具备招生资格，规避了层层代理所带来的各类市场乱象。
5. 国家市场监管总局认研中心发布的人员能力验证管理办法中指出：应积极协调政府部门、行业协会、用人单位等，鼓励企业采信人员能力验证结果，随着人员能力验证结果的不断被采信，持证人将持续获得更多红利，对其本人求职、晋升等提供更大帮助。
